

Tiger LED ShopFitter 46W Round Ceiling Light

**First class performance with impressive
4000 lumen output.**

**Comparable to 150W metal halide,
cutting power costs by over 75%.**

Dimmable version also available.

**Highest
quality
product
available**

**Fitting diameter: 254mm or 8 inches.
Cut-out diameter: 225mm**

Ideal for retrofitting existing retail and commercial installations

- Helps meet reduced wattage per square metre targets in retail.
- LED delivers over 75% energy savings compared to 150W metal halide.

Far greater energy efficiency than halogen lamps

- Reduces carbon footprint by more than 75%.
- No excessive heat output from LED.

Architectural finish

- Aluminium body.
- Powder coated white.

Quality certification

- CE, ETL, FCC, C-TICK & ROHS approval.

Dependable long-life performance reduces maintenance

- Lifespan 50,000 hours.

Safer for retail, hospitality and office environments

- 0% mercury, 0% toxic material.

Applications:

- Retail stores and boutiques.
- Hospitality industry – restaurants, hotels, foyers, convention centres.
- Commercial and office lighting.
- Hospitals.
- For use where longevity is important, including over escalators and travelators where constant replacement of metal halide lights is difficult and expensive.

Power consumption	46W
LED consumption	39W
Input voltage	100-240V AC, 50/60Hz
LED current	DC720mA
Beam angle	120°
Size	D: 254mm H: 154mm (dimmable) D: 254mm H: 142mm (non-dimmable)
Weight	1.42kg
Colour temperature	Warm White 3000K, White 5000K
Lumen output	4000lm
Product lifespan	50,000+ hours
Operating temperature	-20° to +50°C
Certification	CE, ETL, FCC, C-TICK & ROHS approval
Warranty	2 years
Hardware fitting	Aluminium body, powder coated white
Order code	KE-D210D - dimmable KE-D210 - non-dimmable
